

Using My School from home to access Newsdesk

Type 'my school login' into Google.

Type your school username:

Type your password:

This will take you to your Home screen.

Click on 'My Links' (Green button)

Click on the C2K Newsdesk App

In C2K Newsdesk you will find lots of 'fact files' linked to many of your topics and other interesting articles, videos and forums. You can explore both the Newsdesk and the Junior Newsdesk.

How can I use Newsdesk at home?

1. Read articles and fact files about amazing things that are happening in our world.
2. Listen to article podcasts and watch videos to help you understand what is written.
3. Research information to help you with class topics and projects.
4. Solve puzzles and play games.
